Hi Lauren and Tonya,

This credit card payment is a political one. The orders are not in yet, but it will cover 2 orders for Florida First/David Millner Group is the agency. Laura has to create a new profile for this one.

Thanks

Julie,

Here is the CC info from the Millner Group, I have the orders but still not sure what the issue is. I will send the orders down as soon as I receive the NABs. Thanks.
